

OUR MISSION

To engineer and produce packages using sustainable materials, protecting and increasing the value of the final packaged product.

OUR VISION

To always be recognised as one of the best world-class print companies.

OUR VALUES

High levels of quality

Ethical management

Commitment to our clients

Operational excellence

Humility

Social and environmental responsibility

Food Quality and Safety Policy

BRASILGRAFICA S.A. INDÚSTRIA E COMÉRCIO, acting in the domestic and foreign markets through the production of paper and card packages, has as its principal objective client satisfaction, guaranteeing access to safe, high-quality products through innovative solutions, seeking to meet clients' expectations and increase the value of their final products. To achieve this, we follow the directives below:

- Continuously seek to improve our processes through risk assessments and technological improvements, utilising efficient and effective production methods, with a focus on process excellency, cost reduction, and high-quality results;
- Continuous worker training, so that they may execute their roles in accordance with the expectations of senior management. The resulting work must result in products that meet the relevant Norms, Legislations, and Regulations, as well as Client Requirements;
- Seek and establish relationships with strategic partners that can offer us safe and high-quality raw materials, allowing production to happen according to the parameters pre-established by Brasilgrafica and its clients;
- To continuously upkeep and improve the efficacy of our Food Quality and Safety Management System, in order to inspire ever-strengthening feelings of trust both in our clients and senior management.
